

## **Permian Basin Oilman's Bass Invitational May 4th - 5th, 2018 • Lake Amistad Sponsorship Request**

It's that time of year again!! The time when companies and workers in the Permian Basin Oilfield come together to be a part of a very special event, the "Permian Basin Oilman's Bass Invitational" fishing tournament, benefiting local Make-A-Wish chapters. The success of this tournament, now in its 24th year, has been tremendous in making PBOBI the largest, single Make-A-Wish contributor in West Texas. Make-A-Wish offers counseling and support to the families of children with life threatening diseases and works to grant any wish the child may have. Since our beginnings in 1995, the PBOBI has donated over \$4,500,000 to help make wishes possible for some very special "wish kids".

The 2018 fishing tournament is scheduled for May 4th-5th at Lake Amistad. To have our fund raising activities completed on time, we have begun our sponsorship solicitations. By way of this letter, we would like to formally invite you to once again help us support the Make-A-Wish Foundation by sponsoring our 2018 tournament.

Last year, because of you, we were able to give MAW over \$200,000. This year, we believe that this benchmark will be met and surpassed because of the generosity of our sponsorship base. This year, we are again able to accept payment with credit cards. Please see the attached form for the available sponsorship opportunities and credit card information.

Thank you in advance for supporting PBOBI and the West Texas and New Mexico Chapters of Make-A-Wish. We look forward to yet another successful tournament and being able to make more wishes come true for these truly special children.
