## READ THE RULES.....THEY HAVE CHANGED Tournament Rules

Eligibility, Safety, Sportsmanship, Hours, General, Scoring, Protests

**Eligibility:** For PBOBI 2021, we are encouraging oilfield fishermen who have been laid off, furloughed or have left the industry to pursue other endeavors to join us in September. We understand what it is like out there and want all of our industry friends to be part of this wonderful event. Spouses and dependents (under the age of 22) of eligible participants will also be eligible, provided they fish with that participant. Any person who has received payment for guide services, whether licensed or not, within the State of Texas and within the last six months WILL NOT be eligible. All participants are subject to a polygraph test to insure tournament rules and eligibility requirements.

**This is an invitational tournament not an open. Tournament officials reserve the right to refuse any entry.**

**Sportsmanship:** LITTERING WILL BE GROUNDS FOR DISQUALIFICATION. Please respect your fellow fisherman by maintaining a reasonable distance from any anchored or tied boat or boat with the trolling motor in the down position. Do not fish within the "no wake" buoys anywhere on the lake or within Lake Amistad Marina. Any act deemed unsportsmanlike by the tournament committee will result in disqualification without refund of your entry fee.

**General:** Both members from each team must register with the registration committee at The Enchanted Jardin between 12:00 noon and 8:00 PM on Thursday, April 22nd, or from 5:00 AM to 8:00 AM on Friday, April 23rd. No trolling will be allowed. Only artificial lures, pork rinds and scents may be used. No live or prepared baits will be allowed. You may use only one rod at a time, and you must retrieve a cast before making a cast with another rod. Only Largemouth, Smallmouth and Kentucky spotted bass will be weighed. **A maximum of THREE fish per team, per day will be allowed, and a 15" minimum is in effect. Fish will be measured with mouth closed and tail in any position on a flat board. If more than three fish are brought to the scales, the team will be disqualified for that day. If a fish smaller than 15" is brought to the scales you will be disqualified from that day's competition.** Dead fish will be assessed an 8 ounce penalty against the weight total. All boats must have an operable livewell. No iced, frozen or pale gilled fish will be weighed. Fish are property of the Permian Basin Oilman's Bass Invitational. PLEASE practice Catch and Release. All fishing must be done on Lake Amistad. All State, Federal and Local Laws must be obeyed. **Lake permit is required each day. A Mexico fishing license is required if fishing is done on Mexico side of Lake Amistad.**

**Hours:** Tournament hours will begin at 6:00 a.m. on both Friday and Saturday. Even numbered teams will be expected to be in the weigh in line by 3:00 PM on Friday and by 4:00 PM on Saturday. Odd numbered teams will be expected to be in the weigh in line by 4:00 p.m. Friday and in the weigh-in line by 3:00 p.m. on Saturday. Teams will be assigned to each flight based on the order their registration is received. The official tournament clock will be Cole Qualls cell phone. Any team late for their flight's weigh-in will not be eligible to weigh in. Teams may start from any ramp where they have permission to launch or from any public ramp on the lake. An honor start at 6:00 a.m. will be in effect for both days. Weigh in will open at 12:00 PM each day. Guides are not allowed because they are not in the oilfield. Watch for the exact location of weigh in through an upcoming email.

**Safety:** Careless or reckless operation of a motorized vehicle or boat WILL NOT be tolerated and will be grounds for disqualification. Alcohol or any drugs can affect the outcome of a polygraph and should not be consumed prior to taking the polygraph test. Failure to abide by these or any other rules will result in immediate disqualification without refund of your entry fee. **PROOF OF LIABILITY INSURANCE for all boats must be provided before the start of the tournament.**

**Scoring:** Winners will be determined by the heaviest weight total for each day and for the two days combined. Ties will be decided by the highest number of fish weighed. Further ties will split the two places.

**Protests:** Complaints regarding contestant conduct must be submitted to the tournament committee in writing before the weigh-in closes. Decisions of tournament officials are final.
