

Lake Amistad

Permian Basin Oilman's Bass Invitational April 17-18, 2026 • Lake Amistad Sponsorship Request

It's that time of year again!! The time when the oil industry and its people come together to be a part of a very special event, the Permian Basin Oilman's Bass Invitational ("PBOBI"), a fishing tournament that promotes fellowship amongst the oil industry while benefiting the Make-A-Wish Foundation. This tournament is one of the largest contributors to the Make-A-Wish Foundation in both the New Mexico and North Texas (includes West Texas) chapters.

Make-A-Wish gives support to the families of children with life threatening diseases and works to grant any wish the child may have. Since PBOBI started in 1995, we have donated over \$5 million dollars to help make over 900 wishes possible for some very special "wish kids".

To have our fundraising activities completed on time for the 2026 edition of PBOBI, we have begun to reach out to potential sponsors. By way of this letter, we would like to formally invite you to help us support the Make-A-Wish Foundation once again by sponsoring our 2026 tournament. As a change for this year, we are requiring that payment be received by Mid-March 2026 from sponsors who wish to receive recognition at the tournament or have their logo on merchandise.

Last year, because of the generosity our sponsors and fishermen, we were able to give Make-A-Wish over \$150,000 in what was a difficult economic environment. The PBOBI Board is committed to surpassing this level in 2026, but we need your support! Please see the attached form for the available sponsorship opportunities and credit card information.

Thank you in advance for supporting PBOBI and Make-A-Wish. We look forward to yet another successful tournament and being able to make more wishes come true for these truly special children.

Koby West, President - PBOBI
