Permian Basin Oilman's Bass Invitational April 14th - 15th, 2023 • Lake Amistad Sponsorship Request

It's that time of year again!! The time when the oil industry and its people come together to be a part of a very special event, the Permian Basin Oilman's Bass Invitational, a fishing tournament that promotes fellowship amongst the oil industry while benefiting the Make-a-Wish foundations of New Mexico and Northern Texas (including the Permian basin). The success of this tournament, now in its 28th year, has been tremendous in making PBOBI the largest, single Make-A-Wish contributor in West Texas. Make-A-Wish gives support to the families of children with life threatening diseases and works to grant any wish the child may have. Since our beginnings in 1995, the PBOBI has donated over \$6 million dollars to help make over 900 wishes possible for some veryspecial "wish kids".

To have our fund-raising activities completed on time, we have begun our sponsorship solicitations. By way of this letter, we would like to formally invite you to help us support the Make-A-Wish Foundation once again by sponsoring our 2023 tournament.

Last year, because of you, we were able to give MAW over \$180,000. This year, we believe that this benchmark will be met and surpassed because of the generosity of our sponsorship base. Please see the attached form for the available sponsorship opportunities and credit card information.

Thank you in advance for supporting PBOBI and the West Texas and New Mexico Chapters of Make-A-Wish. We look forward to yet another successful tournament and being able to make more wishes come true for these truly special children.
